

## 2023 Junior UAS Driver License/Membership Application

Please be aware that all 2023 memberships expire November 30, 2023

**New Driver Applicants** - This application is to be filled out by the applicant and then submitted to the administrator of his/her local region for approval or rejection.

**Driver Renewals and Non-Drivers** – Past members may renew their membership directly through the national office. This is preferred and recommended. Regional administrators receive updated member lists upon request.

This is to certify that we (parent or legal guardian of Jr. UAS driver and the Jr. driver) have read, understand, and agree to fully abide by the rules and policies of the Unlimited All-Stars. I understand that kart racing is a dangerous activity and I participate completely of my own free will. We understand the experimental nature of Unlimited All-Stars karts. We accept full responsibility for any injury, including death, which one of us may suffer as a result of participation in an Unlimited All-Stars event. We accept full responsibility for any damage to my property as a result of participating in an Unlimited All-Stars event. We will not sue or take any legal action against the Unlimited All-Stars, any of the individual administrators and officials of the Unlimited All-Stars, the host tracks or any of the officials of the host tracks for any purpose related to an Unlimited All-Stars event or promotion of the program and organization. We give my permission to the Unlimited All-Stars and *American Muscle Kart* to use our name and likenesses for the purpose of promoting the Unlimited All-Stars.

We understand that in the Unlimited All-Stars sportsmanship is of the highest importance. While driving our minor driver will make every effort not to allow his/her kart to make contact with the karts of any competitors. Our minor driver will exhibit the highest level of sportsmanship on and off the race track. We will accept the decisions of the race officials as final. We realize that suspension from one UAS region will result in suspension from all UAS regions and national events. We can produce proof that our driver is at least 13 years old and not older than 17 at any time. (Minor drivers and legal adult drivers are not to be on the track at the same time.)
